CONTENTS

Vol. 75, No. 1, October 25, 1961

PAGE

Nakamura, T., Nakamura, S. and **Suzuki, T.** Studies on Cirrhosis of the Liver. IX. Structure of Shunted Blood Vessels in the Autopsied Cirrhotic Liver 1

Huang, T. F. The Effect of Niacinamide and Sodium Nicotinate on the Cardiac Output Both in Normal and in the Coronary Ligated Cats .. 10

Osato, S., Mori, H. and **Morita, M.** The Observation on the Electronmicroscopic Pictures of Cancer Cells under the Actions of Chemotherapeutic Agents 17

Iwama, K. and **Yamamoto, C.** Nature of the Secondary Discharge of Negative Polarity in the Cerebral Cortex of Cats and Dogs 43

Seno, S. A Study of Synchronous Activity of Paretic Muscles in Human Poliomyelitis by Means of Vector Electromyogram 55

Saito, T., Kataoka, Y. and **Iwatsuki, K.** A Simple and Accurate Calculator for Copper Kettle Vaporizer 68

Hatami, T. Electromyographic Studies of Influence of Pregnancy on Activity of the Abdominal Wall Muscles. I. An Analysis of the Patterns of Activity of the Abdominal Wall Muscles in Non-pregnant Women and Pregnant Women 71

Hatami, T. Electromyographic Studies of Influence of Pregnancy on Activity of the Abdominal Wall Muscles. II. An Analysis of the Patterns of Activity of the Abdominal Wall Muscles in Nullipara or Primipara and Multipara 81

Hirano, M. Formation and Biological Activity of Estriol in Placenta .. 89

Vol. 75, No. 2, November 25, 1961

Letterer, E. Ueber die Aleukaemische Retikulose (Letterer-Siwe'sche Krankheit) 103

Kikuchi, R., Chiba, M. and **Nakahama, H.** Changes in Constituents in Arterial Blood Following Experimentally Induced Epileptic Convulsion in Dogs 110

Kurosaki, M. Prolactin-Like Substance of Human Placenta 122

Ishiguro, K. Pantothenic Acid and Age 137

Sato, T., Yoshinaga, K., Wada, Y., Ishida, N. and **Itoh, C.** Urinary

Excretion of Catecholamines and Their Metabolites in Normotensive and Hypertensive Subjects 151
Saito, T., Sato, M. and **Iwatsuki, K.** Precision Anesthesia Using Two Volatile Anesthetic Agents—Apparatus and Method 158
Honma, T. Studies on the Antibiotic-susceptibility of the Isolates from Staphylococcal Infections 168
Kanai, T. The Effect of Androgen on Fine Structure of the Prostate of Castrated Rats 181
Oyake, H. Salivary Lysozyme: Its Relation to Angular Stomatitis in Ariboflavinosis. Part I. Salivary Lysozyme Activity in Ariboflavinosis .. 190
Oyake, H. Salivary Lysozyme: Its Relation to Angular Stomatitis in Ariboflavinosis. Part II. Lytic Action of Lysozyme upon Micrococcus Lysodeikticus Cultured With or Without Riboflavin 197
Iwatsuki, K. and **Katsurashima, T.** Use of Buccal Varidase in the Postanesthetic Period 201

Vol. 75, No. 3, December 25, 1961

Takahashi, K. On the Extra-Ovarian Origin of Estrogen 206
Osato, S., Mori, H. and **Morita, M.** Experiments on the Chemotherapeutic Treatment of Carcinoma with Citral and Citronellal and those Combined with PCMB 222
Oyake, H. Salivary Lysozyme and Its Relation to Angular Stomatitis in Ariboflavinosis. Part III. Morphological Changes of Epithelial Cells of Lips after Incubation with Lysozyme 233
Katsushima, N., and **Arakawa, T.** A Method for Colorimetric Estimation of Peroxidase in Serum or Plasma 237
Iwai, E. Visual Learning and Retention after Ablation of Inferotemporal Cortex in Dogs 242
Wada, T., Goto, A., Fukushima, Y., Shimizu, T. and **Oya, T.** Simultaneous Two-channel Frequency Analyzer Designed by the Authors.. 258
Tada, K. Enzymatic Anomaly of Erythrocytes in Congenital Nonspherocytic Hemolytic Anemia (The Second Report) 262
Tada, K. Hemolysis and Sulfa-drug 269
Tachibana, Y. Histopathological Studies on Autopsied Cases of Stomach Cancer Treated with Anticancerous Drugs 278
Tada, K., Watanabe, W. and **Chikaoka, H.** Demonstration of Progressive Muscular Dystrophy 296

Vol. 75, No. 4, January 25, 1962

PAGE

Kanai, T. The Effect of Androgen on Fine Structure of the Prostate of Castrated Rats. Report II. The Effect by Administration of Small Dosis of Testosterone in 3 Days Soon after Castration 309

Fujiwara, T., Kikuchi, N., Shibuya, T., Kusakabe, I. and **Aida, M.** An Infantile Case of Nephrotic Syndrome: Successfully Treated with Intravenous Administration of ACTH, and Complicated with "Recovery Syndrome (Gómez,)" 319

Suzuki, M., Hirano, M. and **Sugiyama, H.** Mechanism of Incretion of Gonadotropin from the Adenohypophysis 332

Nakao, T. and **Nitta, T.** Microscopic Observations of the Bulbar Conjunctival Vessels in Rheumatic Disease in Children 341

Nakao, T. and **Nitta, T.** Serum Diphenylamine Reaction in Rheumatic Disease of Children 346

Nakao, T. and **Nitta, T.** The Sensitized Sheep Cell Agglutination Reaction in Rheumatic Disease in Children 352

Nakao, T. and **Nitta, T.** Cryoglobulinemia in Childhood 355

Tanno, O. X-ray Visualization of Fetal Adnexae (Amniography under Combined Application of Tomography) 362

Yamamoto, S., Araki, K. and **Kikuchi, M.** Electromyographic Study on Reflex Activity in Abdominal Wall Muscles and Diaphragm Following Pelvic Afferent Excitation in Cats 375

Tada, K., Watanabe, Y. and **Fujiwara, T.** The Enzyme Activities and Coenzyme Contents in the Reticulocytes of Rabbits 384

Sato, Y. A New Technique for Cytologic Examination of Hepatic Cells Obtained by Needle-Biopsy 393

Tada, K. and **Watanabe, Y.** Serum Enzymes in Experimental Hemolysis: Aldolase, Glucose-6-phosphate Dehydrogenase and Lactic Dehydrogenase in Serum of Rabbits with Acute Hemolysis by Acetylphenylhydrazine 397
